ARTICLE 4

RESIDENT

1. For the purposes of this Agreement, the term “resident of a Contracting State” means any person who, under the laws of that State, is liable to tax therein by reason of his domicile, residence, place of management or any other criterion of a similar nature. This term does not include any person who is liable to tax in that State in respect only of income from sources in that State.

2. Where by reason of the provisions of paragraph 1 of this Article an individual is a resident of both contracting States, then his status shall be determined in accordance with the following rules:

- (a) he shall be deemed to be a resident of the State in which he has a permanent home available to him. If he has a permanent home available to him in both States, he shall be deemed to be a resident of the State with which his personal and economic relations are closer (centre of vital interests);

3. Where by reason of the provisions of paragraph 1 of this Article a person other than an individual is a resident of both Contracting States, then it shall be deemed to be a resident of the States in which its place of effective management is situated.

ARTICLE 5

PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term “permanent establishment” means a fixed place of business through which the business of the enterprise is wholly or partly carried on.

2. The term “permanent establishment” shall include :

3. The term “permanent establishment” likewise encompasses:
- (a) a building site, construction, installation or assembly project, or an installation or drilling rig or ship used for the exploration or development of natural resources, as well as supervisory activities in connection therewith, but only where such site, project or activity lasts more than 183 days.
 - (b) the furnishing of services, including consultancy services, by an enterprise of a Contracting State through employees or other personnel engaged in the other Contracting State, provided that such activities continue for the same or a connected project for a period or periods aggregating to more than 183 days within any twelve month period.
4. Notwithstanding the preceding provisions of this Article, the term “permanent establishment” shall be deemed not to include:
- (a) the use of facilities solely for the purpose of storage or display of goods or merchandise belonging to the enterprise;
 - (b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage or display;

- (f) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs (a) to (e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 7 applies - is acting in a Contracting State on behalf of an enterprise of the other Contracting State, that enterprise shall be deemed to have a permanent establishment in the first-mentioned Contracting State in respect of any activities which that person undertakes for the enterprise, if such a person:

- (a) has and habitually exercises in that State an authority to conclude contracts in the name of the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph;
- (b) has no such authority, but habitually maintains in the first-mentioned State a stock of goods or merchandise from which he regularly delivers goods or merchandise on behalf of the enterprise; or
- (c) habitually secures orders in the first-mentioned State for the enterprise and other enterprises which are controlled by it or have a controlling interest in it.

6. Notwithstanding the preceding provisions of this Article, an insurance enterprise of a Contracting State shall, except with regard to reinsurance, be deemed to have a permanent establishment in the other Contracting State if it collects premiums in the territory of that other State or insures risks situated therein through a person other than an agent of an independent status to whom paragraph 7 applies.

7. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

8. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

ARTICLE 6

INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property, including income from agriculture or forestry, is taxable in the Contracting State in which such property is situated.

2. The term “immovable property” shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships, boats and aircraft shall not be regarded as immovable property.

3. The provisions of paragraph 1 of this Article shall apply to income derived from the direct use, letting, or use in any other form of immovable property.

4. The provisions of paragraphs 1 and 3 of this Article shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

ARTICLE 7

BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to:

- (a) that permanent establishment; or
- (b) sales within that other Contracting State of goods or merchandise of the same or a similar kind as those sold or other business activities of the same or a similar kind as those carried on, through that permanent establishment if the sale or the business activities had been made or carried on in that way with a view to avoiding taxation in that other State.

2. Subject to the provisions of paragraph 3 of this Article, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment including executive and general administrative expenses so incurred, whether in the Contracting State in which the permanent establishment is situated or elsewhere. However, no such deduction shall be allowed in respect of amounts, if any, paid (otherwise than towards reimbursement of actual expenses) by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission, for specific services performed or for management,

or, except in the case of a banking enterprise, by way of interest on moneys lent to the permanent establishment. Likewise, no account shall be taken, in the determination of the profits of a permanent establishment, of amounts charged, (otherwise than toward reimbursement of actual expenses), by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission for specific services performed or for management, or, except in the case of a banking enterprise by way of interest on moneys lent to the head office of the enterprise or any of its other offices.

4. In so far as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 of this Article shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary. The method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs of this Article, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

ARTICLE 8

SHIPPING AND AIR TRANSPORT

1. Profits derived by an enterprise from the operation of ships or aircraft in international traffic shall be taxable only in the Contracting State in which the place of effective management is situated.

2. Notwithstanding the provisions of paragraph (1) of this Article profits derived from the operation of ships in international traffic may be taxed in the Contracting State in which such operation is carried on; but the tax so charged shall not exceed 50 per cent of the tax otherwise imposed by the internal laws of that State.

3. The provisions of paragraph 1 and 2 of this Article shall also apply to profits from participation in a pool, a joint business or an international operating agency.

4. If the place of effective management of a shipping enterprise is aboard a ship or boat, then it shall be deemed to be situated in the Contracting State in which the home harbour of the ship or boat is situated, or, if there is no such home harbour, in the Contracting State of which the operator of the ship or boat is a resident.

5. For the purposes of this Article, the term “profits” shall be deemed to include —

- (a) profits from the leasing of ships or aircraft in international traffic, otherwise than on a bare boat charter basis; and
- (b) profits from the leasing of containers and related equipment where such leasing is supplementary or incidental to the international operation of ships or aircraft.

ARTICLE 9

ASSOCIATED ENTERPRISES

1. Where —

(a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State; or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State, and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting State includes in the profits of an enterprise of that State - and taxes accordingly - profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall, if necessary, consult each other.

ARTICLE 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the recipient is the beneficial owner of the dividends, the tax so charged to the beneficial owner shall not exceed:

- (a) 10 per cent of the gross amount of the dividends if the beneficial owner is a company which holds at least 10 per cent of the capital of the company paying the dividends;
- (b) 15 per cent of the gross amount of the dividends in all other cases.

The competent authorities of the Contracting States shall settle the mode of application of these limitations by mutual agreement.

This paragraph shall not affect the taxation of the company in respect of the profits, out of which the dividends are paid.

3. The term "dividends" as used in this Article means income from shares or other rights (not being debt claims) participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the Contracting State of which the company making the distribution is a resident.

4. The provisions of paragraphs 1 and 2 of this Article shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, no tax may be imposed on the beneficial owner in that other State on the dividends paid by the company except in so far as such dividends are paid to a resident of that other State or in so far as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on undistributed profits, even if the dividend paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

ARTICLE 11

INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, subject to the provisions of paragraph 3 of this Article, such interest may also be taxed in the Contracting State in which it arises and according to the law of that State, but if the recipient is the beneficial owner of the interest the tax so charged shall not exceed 10 per cent of the gross amount of the interest.

3. Interest arising in a Contracting State shall be exempt from tax in that State if it is derived and beneficially owned:

- (a) by the Government or a local authority of the other Contracting State;

- (b) by any bank, institution, body or board which is wholly and directly or indirectly owned by the Government or a local authority of the other State; or
- (c) and arises in respect of any loan made, guaranteed or insured, or a credit extended, guaranteed or insured, by any credit agency or other financial institution as may be agreed upon from time to time between the Governments of the Contracting States.

4. The term “interest” as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor’s profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures.

Penalty charges for late payment shall not be regarded as interest for the purposes of this Article. The term “interest” shall not include any item which is treated as a dividend under the provisions of Article 10 of this Agreement.

5. The provisions of paragraphs 1, 2 and 3 of this Article shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a local authority, or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

7. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such a case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 12

ROYALTIES

1. Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties may also be taxed in the Contracting State in which they arise, and according to the laws of that State, but if the beneficial owner is a resident of the other Contracting State, the tax so charged shall not exceed 10 per cent of the gross amount of the royalties.

3. The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work (including cinematograph films or films, tapes or discs for radio or television broadcasting), any patent, trade mark, design or model, computer programme, plan, secret formula or process, or for the use of, or the right to use, information concerning industrial, commercial or scientific equipment, or for information concerning industrial, commercial or scientific experience.

4. The provisions of paragraphs 1 and 2 of this Article shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a local authority or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base with which the right of property in respect of which the royalties are paid is effectively connected, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties paid, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payment shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

If he has such a fixed base or is present in that other State for the aforesaid period or periods, the income may be taxed in the other State but only so much of it as is attributable to that fixed base or is derived in that other State during the aforesaid period or periods.

3. Notwithstanding the provisions of paragraphs 1 and 2, income derived from activities, referred to in paragraph 1, performed under a cultural agreement or arrangement between the Contracting States shall be exempt from tax in the Contracting State in which the activities are exercised if the visit to that State is wholly or substantially supported by funds of either Contracting State, a local authority or public institution thereof.

1. Subject to the provisions of paragraph 2 of this Article, items of income of a resident of a Contracting State, wherever arising, not dealt with in the foregoing Articles of this Agreement shall be taxable only in that State.

2. The provisions of paragraph 1 shall not apply to income if the recipient of such income, being a resident of a Contracting State, carries on business in the other Contracting State through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and a right or property in respect of which the income is paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

3. Notwithstanding the provisions of paragraphs 1 and 2, items of income of a resident of a Contracting State not dealt with in the foregoing articles of this Agreement and arising in the other Contracting State may also be taxed in that other State.

ARTICLE 23

ELIMINATION OF DOUBLE TAXATION

Double taxation shall be eliminated as follows:

1. In the case of Mauritius:
 - (a) Subject to the other subparagraphs of this paragraph and to the provisions of the laws of Mauritius regarding the allowance as a credit against Mauritius tax of tax payable in a territory outside Mauritius (which shall not affect the general principle hereof), where a resident of Mauritius derives profits or income from sources within Sri Lanka and which, under the laws of Sri Lanka and in accordance with this Agreement are taxable or may be taxed in Sri Lanka, whether directly or by deduction, Mauritius shall allow the Sri Lanka tax payable as a reference to the same profits or income by reference to which the Sri Lanka tax payable is computed.
 - (b) In the case of a dividend, the credit referred to in subparagraph (a) shall only take into account such tax in respect thereof as is additional to any tax payable in Sri Lanka by the company on the profits out of which the dividend is paid and is ultimately borne by the recipient of the dividend without any reference to any tax so payable.

-
- (c) Where a company which is a resident of Sri Lanka pays a dividend to a company which is a resident of Mauritius and which controls, directly or indirectly, at least 10 per cent of the capital of the company paying the dividend, the credit shall take into account (in addition to any Sri Lanka tax for which credit may be allowed under the provisions of subparagraphs (a) and (b) of this paragraph) the Sri Lanka tax payable by the first-mentioned company in respect of the profits out of which such dividend is paid. Provided that such credit shall not exceed the Mauritius tax (as computed before allowing any such credit), which is attributable to the income derived from sources within Sri Lanka.
2. In the case of Sri Lanka:
- (a) Subject to the other subparagraphs of this paragraph and to the provisions of the laws of Sri Lanka regarding the allowance as a credit against Sri Lanka tax of tax payable in a territory outside Sri Lanka (which shall not affect the general principle hereof), where a resident of Sri Lanka derives profits or income from sources within Mauritius and which, under the laws of Mauritius and in accordance with this Agreement are taxable or may be taxed in Mauritius, whether directly or by deduction, Sri Lanka shall allow the Mauritius tax payable as a credit against any Sri Lanka tax computed by reference to the same profits or income by reference to which the Mauritius tax payable is computed.
- (b) In the case of a dividend, the credit referred to in subparagraph (a) shall only take into account such tax in respect thereof as is additional to any tax payable in Mauritius by the company on the profits out of which the dividend is paid and is ultimately borne by the recipient of the dividend without any reference to any tax so payable.

- (c) Where a company which is a resident of Mauritius pays a dividend to a company which is a resident of Sri Lanka and which controls, directly or indirectly, at least 10 per cent of the capital of the company paying the dividend, the credit shall take into account (in addition to any Mauritius tax for which credit may be allowed under the provisions of subparagraphs (a) and (b) of this paragraph) the Mauritius tax payable by the first-mentioned company in respect of the profits out of which such dividend is paid. Provided that such credit shall not exceed the Sri Lanka tax (as computed before allowing any such credit), which is attributable to the income derived from sources within Mauritius.

3. For the purposes of allowance as a credit, the tax payable in Sri Lanka or Mauritius as the context requires, shall be deemed to include the tax which is otherwise payable in either of the two Contracting States but has been reduced or waived by either State in order to promote its economic development.

4. A subsidy or grant given by one of the Contracting States to a resident of the other Contracting State under the laws of, and for the purpose of promoting economic development in, the first-mentioned State, shall not be taxable in the other State.

ARTICLE 24

NON-DISCRIMINATION

1. The nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities.

3. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of that first-mentioned State are or may be subjected.

4. Nothing in this Article shall be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own resident.

5. In this Article the term "taxation" means taxes which are the subject of this Agreement.

ARTICLE 25

MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 24, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of this Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at an appropriate solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of this Agreement. They may also consult together for the elimination of double taxation in cases not provided for in this Agreement.

4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs. When it seems advisable in order to reach agreement to have an oral exchange of opinions, such exchange may take place through a commission consisting of representatives of the competent authorities of the Contracting States.

ARTICLE 26

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is necessary for carrying out the provisions of this Agreement or of the domestic laws of the Contracting States concerning taxes covered by this Agreement, in so far as the taxation thereunder is not contrary to the agreement, in particular for the prevention of fraud or evasion of such taxes. The exchange of information is not restricted by Article 1. Any information so exchanged shall be treated as secret in the same manner as information obtained under the domestic laws of that State, and shall be disclosed only to persons or authorities (including courts or administrative bodies) involved in the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by this Agreement. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions. The competent authorities shall through consultation, develop appropriate conditions, methods and techniques concerning the matters in respect of which such exchanges of information shall be made, including, where appropriate, exchanges of information regarding tax avoidance.

2. In no case shall the provisions of paragraph 1 of this Article be construed so as to impose on a Contracting State the obligation:

- (a) to carry out administrative measures at variance with the laws or the administrative practice of that or of the other Contracting State;
- (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (ordre public).

ARTICLE 27

DIPLOMATIC AGENTS AND CONSULAR OFFICERS

Nothing in this Agreement shall affect the fiscal privileges of diplomatic agents or consular officers under the general rules of international law or under the provisions of special agreements.

ARTICLE 28

ENTRY INTO FORCE

1. Each of the Contracting Parties shall notify to the other the completion of the procedures required by its law for the entering into force of this Agreement. The Agreement shall enter into force on the date of the later of these notifications.

2. The provisions of this Agreement shall apply:

- (a) in Mauritius, on income for any income year beginning on or after the first day of July next following the date upon which this Agreement enters into force; and
- (b) in Sri Lanka, in respect of income derived on or after 1 April of the year next following that of the entry into force of the Agreement.

ARTICLE 29

TERMINATION

1. This Agreement shall remain in force indefinitely but either of the Contracting States may terminate the Agreement through diplomatic channels, by giving to the other Contracting State written notice of termination not later than 30 June of any calendar year starting five years after the year in which the Agreement entered into force.

2. In such event the Agreement shall cease to have effect:

- (a) in Mauritius, in respect of income for any income year beginning on or after the first day of July next following the calendar year in which such notice is given; and
- (b) in Sri Lanka, in respect of income derived on or after 1 April of the year next following that in which the notice of termination is given.

IN WITNESS WHEREOF the undersigned, being duly authorised thereto, have signed this Agreement.
